Ayoade on Ayoade

Richard Ayoade 2014-09-30 In this book Richard Ayoade - actor, writer, director, and amateur dentist - reflects on his cinematic legacy as only he can: in conversation with himself. Over ten brilliantly insightful and often erotic interviews, Ayoade examines himself fully and without mercy, leading a breathless investigation into this once-in-a-generation visionary. Only Ayoade can appreciate Ayoade's unique methodology. Only Ayoade can recognise Ayoade's talent. Only Ayoade can withstand Ayoade's peculiar scent. Only Ayoade can truly get inside Ayoade. They have called their book Ayoade on Ayoade: A Cinematic Odyssey. Take the journey, and your life will never be the same again. Ayoade on Ayoade captures the director in his own words: pompous, vain, angry and very, very funny.

What You Want Is in the Limo

Michael Walker 2013-07-23 Documents the courses of three history-making tours by rock-and-roll artists The Who, Led Zeppelin and Alice Cooper to evaluate how they significantly impacted the music industry, offering insight into the role of period culture and the fundamental changes that each tour incited. By the author of the best-selling *Laurel Canyon. Original Rockers*

Richard King 2015-03-31 Richard King's account of the several years he spent working in a Bristol independent record shop in the early 90s is destined to become a classic of music writing. We live in an age when the most beautiful of recording formats, vinyl, is back in vogue and thriving. In the early 90s, with the march of the cd and record company disinterest oin the format, vinyl was looking like an anachronism. And with its demise came the gradual erosion of a once beautiful and unique landscape known as the independent record shop. Richard King, author of *How Soon is Now*, blends memoir and elegiac music writing on the likes of Captain Beefheart, CAN and Julian Cope, to create a book that recalls the debauched glory days of the independent record shop. Chaotic, amateurish and extravagantly dysfunctional, this is a book full of rare personalities and rum stories. It is a book about landscape, place and the personal; the first piece of writing to treat the environment of the record shop as a natural resource with its own peculiar rhythms and anecdotal histories.

Living from Music in Salvador

Jeff Packman 2021-09-07 *Living from Music in Salvador* examines the labor of musicians in Salvador da Bahia, widely regarded as Brazil's most African city. Drawing on fieldwork that spans sixteen years, the book explores local musicians' lives as members of a flexible work force, emphasizing questions of race, social class, and cultural politics in relation to professional music making. From clubs and restaurants to Carnival parades and festival celebrations, to concert stages and recordings, the ability of musicians to earn a living wage is contingent on their navigating industry and societal conditions that are profoundly informed by the entrenched legacies of colonization and slavery.

Beyond Memory

Max Mojapelo 2008 South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. And if one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the musics of the black communities. *Beyond Memory: Recording the History, Moments and Memories of South African Music* is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries.
